

PSC 2021 Indoor Coaching Reimbursement Form

As a not-for-profit all-volunteer organization, we cannot possibly pay our volunteers what they are worth. We are, however, able to offer you an honorarium payment as a token of our appreciation for your services if desired. If you coached skills clinics you can request a \$50.00 honorarium. This form must be completed and returned with your equipment at the end of the indoor season. Please check each one off as completed:

- Complete the season.
- Return the form with all equipment at end of season.
